INTRODUCTION

MastaSorb is the one-stop-shop for all of your absorbent needs. We provide industries with the best line of environmentally-friendly absorbent products throughout the United States. The MastaSorb product line - Universal, Oil-Only, Socks & Booms, and Floor Dry - is the answer when you want to clean up spills in an earth-friendly way. All MastaSorb products are made in the USA, contain no chemically inert polypropylene, and are made from 95% recycled fibers.

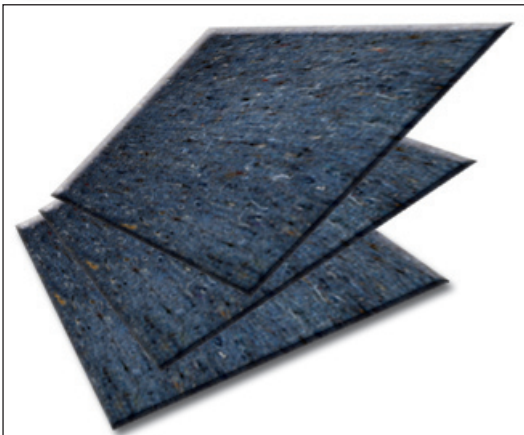

MastaSorb UNIVERSAL ABSORBENT PRODUCTS

Universal Absorbent Rolls and Pads

High performance all-purpose absorbent pads and rolls are great for oil and water based liquids. Excellent for industrial plants, machine and maintenance shops. Any of these high performance absorbent pads have a natural surface to soak up more liquids in less time. Bonded for strength and high absorbency. Dirt-masking blue color fosters longer use before disposal. The favorite for industrial applications. Use these absorbent pads where aggressive and non-aggressive fluids are present. Our absorbent rolls catch excess over-spray for easy cleanup. General purpose absorbent pads are great for spills!

Overview

- *Fast-acting*
- Heat bonded to increase strength of material
- Dark color fosters longer use
- Less waste - use only what you need
- Reusable
- Mat keeps its shape even if saturated
- Absorbs all liquids - water & hydrocarbons
- Great for general maintenance applications
- Appropriate for use in traffic areas

Product Size/Weight	Item #	Package Count	Weight in Lbs.	Absorbs Over	Packages/Pallet
15" x 150' Medium Weight Universal	10-1000	2 rolls	12	30 gals.	12
15" x 150' Heavy Weight Universal	10-1001	2 rolls	17	42 gals.	12
30" x 150' Medium Weight Universal	10-1002	1 roll	12	30 gals.	12
30" x 150' Heavy Weight Universal	10-1003	1 roll	17	42 gals.	12

MastaSorb OIL-ONLY ABSORBENT PRODUCTS

Oil-Only Absorbent Rolls and Pads

Bonded oil-absorbent pads and rolls repel water-based fluids while absorbing petroleum-based liquids including solvents, solvent-based paints, vegetable oils and many other non-soluble chemicals. Suitable for industrial and environmental applications for quick absorption of oil. These pads are made of all-natural recycled cotton. Great product for absorbing oil sheen on water.

Overview

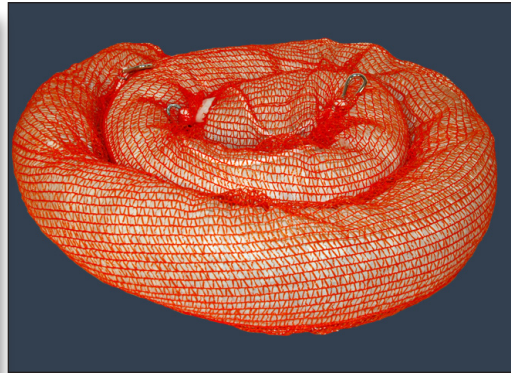

- Low-linting
- Bonded oil-absorbent pads
- Heavy weight
- Strong
- Cost-effective
- Quick absorbing
- Repels water
- Floats on water when saturated with oil

MastaSorb ABSORBENT SOCKS & BOOMS

Socks

Marine Boom

Storm Drain Bilge Boom

Universal Socks are filled with super absorbent recycled fibers to soak up spills fast. Can be wrung out and re-used. Available in two sizes. **Uses:** Absorbs water-based fluids, oil, diesel, gas, coolants, cutting fluids, hydraulic fluids, vegetable oil, acetone, turpentine, ether, hexane, etc. Can be used for everyday maintenance, repair and general operations. Easy to mold and shape around leaky equipment and machinery. A great choice for non-aggressive fluids.

Oil-Only Socks quickly soak up oil. Filled with all-natural recycled fibers. Available in two sizes. **Uses:** Can be used on land or water. Absorbs hydrocarbons only (such as oil, gasoline, fuel oil, diesel and lubricating oils). Repels water; floats on water. Flexible and easy-to-shape socks are great for outdoor applications.

Marine Oil Containment Booms are a poly sock skin filled with highly absorbent recycled fibers with a strong mesh outer sleeve. Filler does not shed and booms will not sink when saturated with oil. Hardware with sturdy nylon rope ensures durability and easy retrieval. Booms can be linked with attached carbon steel connector hardware. **Uses:** For containing or soaking up oil on water. Absorbs hydrocarbons only. Repels water; floats on water. Perfect for the control and clean-up of oil spills on water - ideal for skimming oil from water in oceans, rivers, waste water troughs, ponds or streams. Can also be used to contain and absorb large industrial hydrocarbon spills on land. [Helps you comply with 29 CFR 1910.22(a)(2), 29 CFR 1910.107(b)(3), 29 CFR 1910.107(g)(2), 29 CFR 1910.120 (j)(1), and 29 CFR 910.1450(e).]

Boat Bilge Boom has a mesh outer sleeve encasing the poly sock skin which is filled with highly absorbent natural recycled fibers. Filler will not shed and boom will not sink. Durable, easy-to-use connectors included. **Uses:** Use in the bilge of your boat to absorb any oil from the engine. Floats on water; repels water. Absorbs all hydrocarbons. Will not sink. Reusable. Comes with D-ring for use with a rope for easy deployment.

Product Size/Weight	Item #	Package Count	Weight in Lbs.	Absorbs Over	Packages/Pallet
5" x 10' Marine Boom Oil-Only	10-1013	4 booms	20	50 gals.	20
5" x 10' Sock Universal	10-1014	4 socks	20	50 gals.	20
5" x 10' Sock Oil-Only	10-1015	4 socks	20	50 gals.	20
5" x 18" Storm Drain Bilge Boom	10-1016	20 booms	20	50 gals.	20
5" x 48" Sock Universal	10-1017	8 socks	20	50 gals.	20
5" x 48" Sock Oil-Only	10-1018	8 socks	20	50 gals.	20
5" x 18" Boat Bilge Boom	10-1019	20 booms	20	50 gals.	20

MastaSorb FLOOR DRY

Light Weight Loose Industrial Absorbent

MastaSorb Cellulose Product

Industrial absorbent made from recycled paper waste. Will absorb eight times its weight of most non-aggressive fluids. Silica-free! Incinerates and leaves a very low ash content. Ideal for reducing your disposal costs. Non-abrasive. **Uses:** Can be used as floor sweep or as a bulk spill clean up. Soaks up oils, coolants, solvents, water, fuels, anti-freeze and most other non-aggressive liquids on contact.

Product Size/Weight	Item #	Package Count	Weight in Lbs.	Absorbs Over	Packages/Pallet
